“The Board of IDAF are excited and looking forward to the 2017 World Dwarf Games. This will be the 7th WDG and will be hosted by Canada, who submitted a fantastic bid supported by the University of Guelph. The last WDG attracted athletes from 17 countries all over the world, bringing together teams of athletes from the very young to the more mature adults.

It is hoped that this event will bring even more awareness to the world that there are fantastic opportunities to be had in sport for people with dwarfism. I urge those who can to support Canada in their quest to gain funding to host this amazing event making it an even bigger Games.”

Sincerely,

Arthur Dean, OBE, President IDAF
